DANCE PLACE

Deborah's Repertory & Performance in Modern culminates in a performance with Deborah Riley Dance Projects. Must be available for dress rehearsal on Friday, April 16th at 6:00pm and for performances on Sat. April 17th at 8pm and Sunday, April 18th at 7pm.

Carla's Modern classes are influenced by a wide range of dance and movement techniques including Cunningham, Horton, African, Social Dance and Yoga.

Deborah's Modern classes guide each individual in finding their movement potential, body connectivity and expressiveness. As a dancer and certified movement analyst, her classes explore Body, Effort, Space and Shape based on the Laban/Bartenieff movement modality.

DC Casineros' Salsa class includes a call and response circle dance, with fun turns, footwork and sexy Cuban flavor. The class will begin with a warm-up based in Afro-Cuban styles such as Rumba, Son and Orisha dances and then move into learning both Miami and Cuban calls in the Rueda. Come alone or with a partner.

Marcia, LaShanda and Sylvia's West African Dance classes explore the richness of African Dance traditions from Guinea, Mali and Senegal.

Victoria's Belly Dance class teaches students how to isolate distinct muscles and use them to execute a series of movements and dance phrases. Students can expect great music and a fun environment to learn shimmies, undulations and rib lifts.
