Dance Place presents Artist in Residence (AIR) **haus of bambi**. *An Intimate Night with Bambi and Molasses* is a cabaret extravaganza exploring queer intimacy and the stories that shape us. Through narrative and song, Bambi and Molasses deconstruct and assert their personas in a fraught attempt to get closer to one another and to their audience. An Intimate Night is more than a two person show. It is a dizzying kaleidoscope of gender, trust, sex, and support.

ASL Interpretation will be available for the Saturday performance and Large Print Programs will be available for both performances.

This presentation is generously supported by the Doris Duke Foundation, Shubert Foundation, Howard and Geraldine Polinger Family Foundation, NEA (National Endowment for the Arts), and DCCAH (DC Commission on the Arts and Humanities).

About *haus of bambi*

Robert "Bambi" Woofert's work has been commissioned for Vogue.com, the John F. Kennedy Center, and The City of Alexandria and has been presented in New York City at the wild project, Movement Research at Judson Church, Dixon Place, and Triskelion Arts.

Bambi embraces fantasy as a means of truth-telling and his work seeks to strut the line between the gaudy and subdued, the crude and refined, and the classical and contemporary.

Bambi holds an MFA from the University of Michigan and teaches at American University, George Washington University and Dance Place, where he is a 2022-2024 artist-in-residence.
