Enjoy a groundbreaking performance from haus of bambi - Pantheon on May 12, 2022 at 8pm EST. Pantheon is an invocation, through performance, of the drag deities of DC nightlife. Held at Capo in Shaw, the work brings audiences into the club to witness and participate in its rite. It is an evening of self-mythology and ceremony through which the artists construct, explore, and assert their own queer divinity.

About haus of bambi

haus of bambi is a movement-based company that produces genderless and gendermore fantasies for the stage, screen, and club. Born from a wild night in a Berlin rave, haus of bambi holds at its core a respect for faggotry, sawftness, nightlife, high art, and sticky dance floors. We are committed to working with queer, trans*, non-binary, and femme and butch performers across the spectrum, and to creating spaces for the celebration of the complexity of queer identities.
