## **Dance Place Announces Next Artist Advisory Council Program: *Bambi Loves You!***

*Dance Place Thresholds Programming Continues With Longterm Community Member*

**WASHINGTON, DC** (January 14, 2025): **Dance Place**, DC's hub for dance, has announced its next Thresholds program: Haus of Bambi is taking over Dance Place for a very special Valentine's Day program. The evening will consist of two shows on one *lovely* evening: one at 6 PM and one at 8 PM, respectively. Tickets to both shows can be purchased [here](#).

The show will feature elements reminiscent of typical Valentine's Day celebrations, inclusive of chocolate, stuffed animals, flowers and outward expressions of love, while fusing them with the exaggerated features that the community has come to love Haus of Bambi for. Attendees can expect "s'mores, stories and make-believe" according to host Bambi, who dances the line between "the too much and the just enough."

Bambi is no stranger to Dance Place. A current Artist Advisory Council member and former Dance Place Artist in Residence, Bambi has spent much time in Dance Place's community, and resonates deeply with the 45th season theme of "Home is Coming: Inspiration, Connection & Action." Earlier in Dance Place's season during Spirit Week, Bambi led a "party and prance," bringing their Wednesday night happy hour series to Dance Place's Brookland campus. The pop-up series brings dance education to all bodies and genders, combining ballet fundamentals at the "bar(re)" with a social, inclusive atmosphere.

### **About Dance Place**

Rooted in Washington, D.C., Dance Place supports movement artists by creating opportunities for creative development, performance, and education. The organization strengthens the dance field by investing deeply in artists and centering those who have been systemically excluded from it.
