# *Thank you!*

Dance Place's Education Programs help young people realize the creative possibilities in their lives with performances, dance instruction, academic enrichment, life skills and job training. The Education Programs are integrated into every aspect of our organization as a theater, school and community center.

Thank you to all of the performers, families, teachers, and Dance Place staff for making this virtual presentation possible and for a wonderful semester. We can't wait to dance with you again soon.

Registration for our summer KOM session is open. Please check out Dance Place's website by clicking here for more information.
